

TLS 2200® Label Rolls: General ID

www.BradyID.com/tls2200

TLS 2200® General Identification Labels:

B-424 Paper Labels

Color: White Finish: Matte

White paper label with matte finish and smooth top coat finish for thermal transfer printing. Good contrast and smear resistance for thermal barcode printing. Used for general purpose labeling applications.

TLS 2200® General Identification Labels:

B-425 Polypropylene Labels

Color: White Finish: Matte

White polypropylene label stock with matte/opaque finish for thermal transfer printing or write-on applications. Excellent solvent resistance and print performance; not recommended for long-term outdoor use.

Did You Know? LabelMark™ Labeling Software

LabelMark™ 5 Standard Software offers a variety of new tools and features for data management, label design and label printing and are all available for use with the TLS 2200® and TLS PC Link™ printers.

- Quickly create, view, and print with easy editing features
- Edit, view, and import data for multiple labels at once
- Quick printing with Brady printers and label materials

For more information, view page 8 or visit www.BradyID.com/labelmark.

See all TLS 2200® print ribbon parts on page 53 and full material descriptions on pages 164-170.
