Base Data

Local Order Number 556-00236

Type TT230BATTERY

Color Beige (BGE)

Features and Benefits • Battery pack for use in running the TT230SM/TT230SMC printers in remote locations where power is not available.

Product Description HellermannTyton's TT230SM thermal transfer printer is designed for low to medium volume printing of thermal transfer labels and ShrinkTrak. The TT230SM delivers optimal performance not found in other small desktop printers. This lightweight printer offers high speed, precision, and flexible printing with the ability to print on most HellermannTyton labels and ShrinkTrak. Used in conjunction with TagPrint Pro, the TT230SM will offer error free printing and seamless operation.
