Wire Retainer, Slotted Style for 3" Duct, Black, PA66, 100/Bag

|                     |                                                                                                                                                                                           |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Number      | 181-30031                                                                                                                                                                                 |
| Type                | SLWR30                                                                                                                                                                                    |
| Color               | Black (BK)                                                                                                                                                                                |
| Features & Benefits | <ul style="list-style-type: none"><li>• Retainer spans approximately 90% over the duct opening for effective wire management.</li></ul>                                                   |
| Quantity Per        | bag                                                                                                                                                                                       |
| Product Description | Slotted wall wire retainers snap in from the outside of the duct, allowing for fast and easy installation and removal. Slotted wall wire retainers are manufactured from black nylon 6/6. |
| Short Description   | Wire Retainer, Slotted Style for 3" Duct, Black, PA66, 100/Bag                                                                                                                            |

|                                       |                                          |
|---------------------------------------|------------------------------------------|
| <b>Global Part Name</b>               | SLWR30-PA66-BK                           |
| <b>Technical Description</b>          | Wire Retainer, Slotted Style for 3" Duct |
| <b>Length L (Metric)</b>              | 1.83                                     |
| <b>Material</b>                       | Polyamide 6.6 (PA66)                     |
| <b>Material Shortcut</b>              | PA66                                     |
| <b>Flammability</b>                   | UL 94 HB                                 |
| <b>Halogen free</b>                   | Yes                                      |
| <b>Operating Temperature (Metric)</b> | +23°F to +176°F (-5°C to +80°C)          |
| <b>Reach Complaint(Article 33)</b>    | No                                       |
| <b>ROHS Complaint</b>                 | Yes                                      |
| <b>Package Quantity(Imperial)</b>     | 100                                      |
| <b>Package Quantity (Metric)</b>      | 100                                      |
| <b>Customs Number</b>                 | 3926909988                               |
