| Product Description | HellermannTyton surface raceway systems are the ideal solution for routing communication and power cables. No need to break into existing walls - raceway systems are designed to route cable along wall surfaces. Made of a PVC material, components are durable and affordable; and the one-piece construction and adhesive tape backing make positioning and mounting easy. HellermannTyton offers a low voltage TSR system and a power rated TSRP system that are available in three different diameters to accommodate different cable and wire bundle and conduit sizes. Both systems include a complete line of fittings and junction boxes that allow for clean and professional installations. TSR surface raceway systems can be used to route a variety of communication cable, including high speed UTP and fiber optic cable. |
| Short Description | End Cap, 1-1/4", 2-Piece, PVC, Ivory, 10 Individual/bag |
| Global Part Name | TSR2-36-PVC-BGE |
| Material | Polyvinylchloride (PVC) |
| Material Shortcut | PVC |
| Flammability | UL 94 V0 |
| Halogen free | No |
| Operating Temperature (Metric) | +122°F (+50°C) |
| Reach Complaint(Article 33) | No |
| ROHS Complaint | Yes |
| Package Quantity(Imperial) | 10 |
