

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

Part Number:

1202530463

Status:

Active

Overview:

Contrinex Inductive and Photoelectric

Description:

Contrinex Inductive Sensor, 3mm Diameter Smooth Housing, 0.6mm Operating Distance, Embeddable, NPN, NC, 0.2m 3-wire PUR Cable, 3-pin M8 Connector, 22mm Housing Length

Documents:

Product Specification 1202530463-000 (PDF)

RoHS Certificate of Compliance (PDF)

Datasheet (PDF)

|                               |                                                 |
|-------------------------------|-------------------------------------------------|
| General                       |                                                 |
| Product Family                | Sensors                                         |
| Series                        | 120253                                          |
| IP Rating                     | IP67                                            |
| Overview                      | Contrinex Inductive and Photoelectric           |
| Product Category              | Sensors                                         |
| Product Name                  | Contrinex                                       |
| Type                          | Inductive                                       |
| UPC                           | 191130067886                                    |
| Physical                      |                                                 |
| Connection                    | Cable (PUR 0.2m, 3-wire), Connector (M8, 3-pin) |
| Length                        | 22mm                                            |
| Material - Housing            | Stainless Steel                                 |
| Material - Sensing Face       | Polyester                                       |
| Mounting Style                | Embeddable                                      |
| Operating Distance            | 0.6mm                                           |
| Output                        | NC                                              |
| Sensor Housing Size           | 3mm dia. (smooth)                               |
| Temperature Range - Operating | -25° to +70°C                                   |
| Electrical                    |                                                 |
| Polarity                      | NPN                                             |
| Switching Frequency           | ≤ 5000 Hz                                       |
| Material Info                 |                                                 |
| Engineering Number            | DW-AV-602-03-276                                |
| Reference - Drawing Numbers   |                                                 |
| Product Specification         | 1202530463-000                                  |
