### Technical data

#### Dimensions

|                            |         |
|----------------------------|---------|
| Length                     | 6 mm    |
| Connecting thread diameter | 22.5 mm |
| Wrench size, counter nut   | 30 mm   |
| Hexagon angular dimension  | 33 mm   |

#### Ambient conditions

|                                 |                   |
|---------------------------------|-------------------|
| Ambient temperature (operation) | -40 °C ... 100 °C |
|---------------------------------|-------------------|

#### General

|                                        |                    |
|----------------------------------------|--------------------|
| Material                               | PA 6 GF 30         |
| Flammability rating according to UL 94 | V2                 |
| Color                                  | jet black RAL 9005 |

#### Standards and Regulations

|                                        |     |
|----------------------------------------|-----|
| Halogen-free                           | yes |
| Flammability rating according to UL 94 | V2  |

#### Environmental Product Compliance

|            |                                                         |
|------------|---------------------------------------------------------|
| China RoHS | Environmentally friendly use period: unlimited = EFUP-e |
