Product Features

Product Type Features:

? Product Type = Adapter

? Connector Series = Miniature

? Adapter Type = SMB Jack to BNC Bulkhead Jack

? Body Style = Straight

? Grade = Commercial

? Safety Wire Holes = Without

? Panel Thickness (mm [in]) = 2.29 [0.090]

? Body Material = Brass

? Dielectric Material = TEFLON

? Comment = Housing Hex 17.48 [.688],
Mounting Hex 15.88 [.625]

Mechanical Attachment:

? Panel Attachment = With

? Panel Attachment Style = Rear Mount

? Panel Attachment Method = Lockwasher and Nut

Electrical Characteristics:

? Connector Impedance (?) = 50
? Environmental Seal = Without

Body Related Features:

? Coupler Style = Threaded
 ? Pin Protection = Without
 ? Body Plating = Silver
 ? Mates With = 50 Ohm Screw - On (S -50)

Contact Related Features:

? Center Contact Plating = Gold per MIL -G-
45204, Type II, Grade C, Class 1
? Contacts = With

Industry Standards:

? RoHS/ELV Compliance = Not ELV/RoHS compliant

? Lead Free Solder Processes = Not suitable for lead free processing

Other:

? Brand = Microdot
