

Technical drawing of a mechanical part, likely a valve or plug, showing a cross-section with dimensions and surface texture symbols.

Dimensions and Tolerances:

- Top horizontal dimension: 1.90
- Dimension from top to first step: 1.98 ± 0.15
- Dimension from top to second step: 2.48 ± 0.15
- Dimension from second step to third step: 0.35 MIN
- Dimension from third step to bottom: 15.85 ± 0.10
- Dimension from top to bottom of the main body: 5.60 ± 0.10

Surface Texture Symbols (Ra values in μm):

- Symbol 4: 4
- Symbol 5: 5
- Symbol 7: 7

The drawing shows a cross-section of a mechanical part with a central vertical bore. The part has a complex profile with several steps and a central cavity. The dimensions and tolerances are indicated by arrows and numerical values. Surface texture symbols are placed on specific surfaces to indicate required finish quality.

Technical drawing of a mechanical part (Fig. 10) showing a cross-section with dimensions and tolerances. The drawing includes the following features:

- Overall Height:** 17.50
- Top Section:** A rectangular section with a central slot. The width of the slot is 2.97.
- Bottom Section:** A section with a central slot and two side slots. The width of the central slot is 2.97.
- Dimensions and Tolerances:**
 - 2.70 ± 0.25 (2 PLC)
 - 0.32
 - 2.97
 - ± 0.25 (J)
 - 0.30 (M) Z (M) (TYP)
 - 0.30 (M) Z (M) (TYP)
- Surface Finish:** A surface finish symbol (a triangle with the number 5) is shown at the bottom left.
