

Triple Flat-Panel Rail Wall Mount for 10" to 15" TVs and Monitors

MODEL NUMBER: **DMR1015X3**

Low-profile rail mount hangs 3 flat-panel televisions, monitors or other displays on the wall.

Recommended for video walls, menu boards and other applications in restaurants, bars, airports, hotels, offices and boardrooms.

Description

The VESA-compliant DMR1015X3 Triple Flat-Panel Rail Wall Mount allows you to mount three flat-panel televisions, monitors or other displays on the wall in either portrait or landscape mode. Recommended for video walls, menu boards and other display applications in restaurants, bars, airports, hotels, offices and boardrooms, the low-profile mount fits most flat-panel displays from 10 to 15 inches.

Up to three displays attach to VESA mounts that can slide closer or further apart along the rail for optimal viewing. The rail is concealed behind the displays for a sleek, professional appearance. Included cable guides attach to the rail to keep power cords out of the way.

Durable steel construction supports up to 18 pounds per VESA mount. Mounting hardware is included. Conforms to VESA-compliant displays with either of the following mounting hole patterns: 75 x 75 mm and 100 x 100 mm.
