

USB-C Cable, USB 2.0 with 5A Rating (M/M), 3 ft.

MODEL NUMBER: **U040-003-C-5A**

USB-C cable provides up to 20V 5A (100W) of power—more than enough to charge large-capacity mobile devices, such as the MacBook Pro®. Also connects smartphones, computers, wall chargers and other USB-C devices.

Description

The U040-003-C-5A USB 2.0 Hi-Speed Cable (M/M) carries a 5A power rating and supports a full 100W of power, which is plenty for fast-charging large-capacity mobile devices, such as the Apple® MacBook Pro. It connects any two devices with USB-C ports, such as smartphones, tablets, computers and wall chargers.

This three-foot cable also supports USB 2.0 data transfer speeds up to 480 Mbps. Reversible USB-C male connectors plug into a USB port in either direction for fast, fumble-free connection every time.

Foil and braid shielding delivers reliable, error-free signal quality and protection from EMI/RFI line noise that can distort or destroy data. Molded nickel-plated connectors with corrosion-resistant gold-plated contacts provide maximum conductivity and minimize data loss. The U040-003-C-5A is backward compatible with previous USB generations.

Features

Connects 2 USB-C Devices

- Power output up to 20V 5A (100W) for fast-charging large mobile devices, such as MacBook Pro
- Recommended for connecting smartphones, tablets, computers, wall chargers and other USB-C devices

Highlights

- Power output up to 5A for fast-charging large mobile devices
- Supports data transfer speeds up to 480 Mbps
- Reversible USB-C plugs on both ends for fumble-free connection
- Integral strain relief protects against stress and cracking
- Backward compatible with previous USB generations

System Requirements

- Devices with USB-C female connectors

Package Includes

- U040-003-C-5A USB 2.0 Hi-Speed Cable with 5A Rating, USB-C to USB-C (M/M), 3 ft.
